### Experience It! Downton Abbey

In the county of Hampshire, England stands the magnificent Highclere Castle – otherwise known as *Downton Abbey*. The worldwide phenomenon (seen on PBS in the United States) is filmed here; the show uses the exterior and interior of the castle as the setting for the tragedies and triumphs of the Crawley family. In reality, the castle is home to the Earl and Countess of Carnarvon and the 1,000-acre site has been in their family's name since 1679. As you walk along the grounds in the same footsteps as Lord and Lady Grantham, and see with your own eyes the rooms in which Matthew and Lady Mary began their tumultuous love affair, you will truly feel as if you have stepped back through time (or perhaps through your television).
