We got off the bus once we reached the town, told Geoff we'd see him at hotel at 4:30p. Cute town of Stratford on Avon. We need to find the train station … and look around on our own to be ready to head to Fort William from Euston Station London to ride the Hogwarts Express, Steam Train the Jacobite travels Fort William to Malaig.

Harry Potter is everywhere.

The Jester is a key statue for this town

We find the train station to get tickets for Sunday ride back to London, 9:38a and every 2 hours after

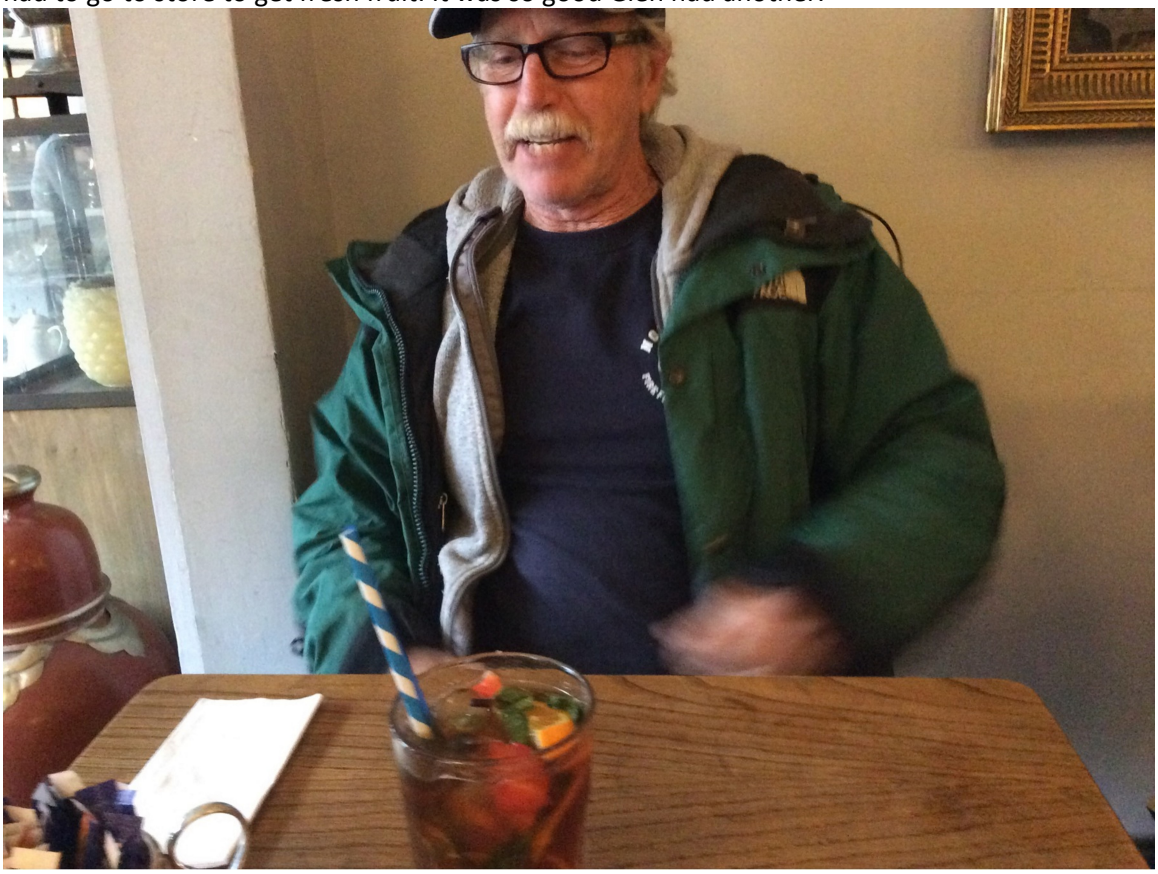

Back in town we find a nifty place for dinner … with Pims

Had excellent dinner, Glen ate the couscous that came with my lamb tagine. We also split the stuffed portobello mushroom. I had an excellent tiramisu.

Glen had Pimms, recommended by Eve Selis band from their tour of UK with Berkley Hart. The lady had to go to store to get fresh fruit. It was so good Glen had another.

Bathrooms were upstairs, so gave me a chance for more pics

Stratford is such a cute little town
