How to get to LALS RM from local freeways, and location of our public and member entrances.

We operate our 7½” gauge model trains for the general public to ride from 11 am to 3 pm every Sunday (weather permitting), except for the Sunday before Memorial Day and the first Sunday in October.

All riders must be at least 34" tall to ride (no infants in carriers or on laps), and weigh less than 350 pounds. Handicapped riders must be able to transfer to a straddle-type riding car, and be able to sit upright for at least 20 minutes. Animals are never allowed to ride.

The Los Angeles Live Steamers is an all-volunteer, 501(c)(3) public benefit corporation. We are funded by member dues and by gifts and donations. Public train rides are a suggested donation of \$4.00 per person. In keeping with our philosophy of giving back to our community, we have hosted special events for Children's Hospital, City of Hope, Padres Contra el Càncer, Villa de Vida, and other organizations.
